# Economic, Social, Environmental, Health, Education, Development and Energy of Albania,

# Introduction

This presentation analyzes
**Economic**, **Social**, **Environmental**,
**Health**, **Education**, **Development**,
and **Energy** indicators for **Albania**,
**Croatia**, and **Malta**, using World

# Data Preparation

# Load and Combine Datasets

# Clean Column Names and Types

```
setnames(allData, old = c("Country Name",
↪   "Country ISO3", "Year", "Indicator Name",
↪   "Indicator Code", "Value"),
                new = c("countryName",
```

# Quick Exploration

```
   countryName       N
        <char> <int>
1:     Albania 72460
2:     Croatia 65137
3:       Malta 75989
```
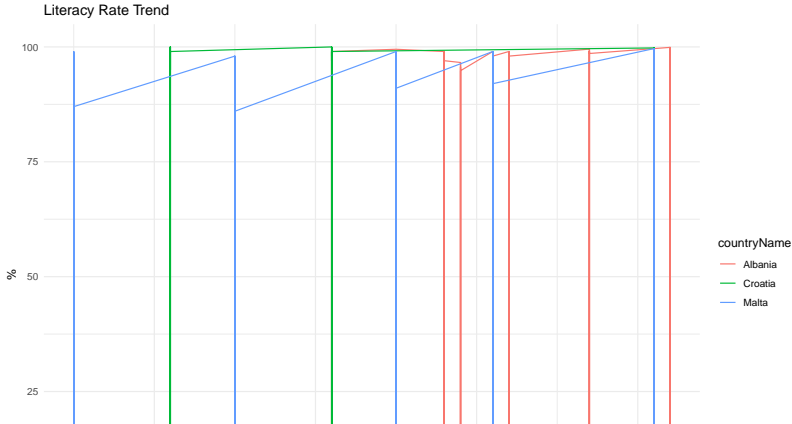

# Sample Plot: Population Trend

# GDP Per Capita

GD##P per Capita Over Time
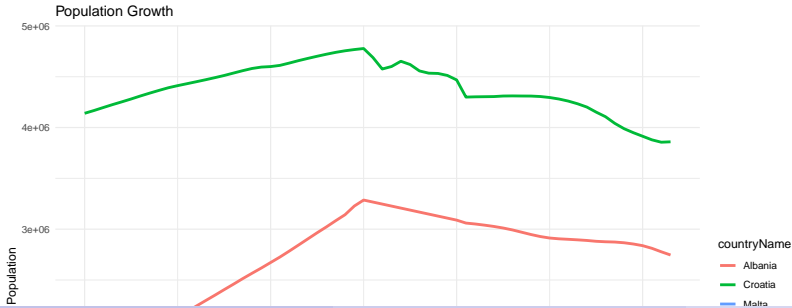

countryName
- Albania
- Croatia
- Malta
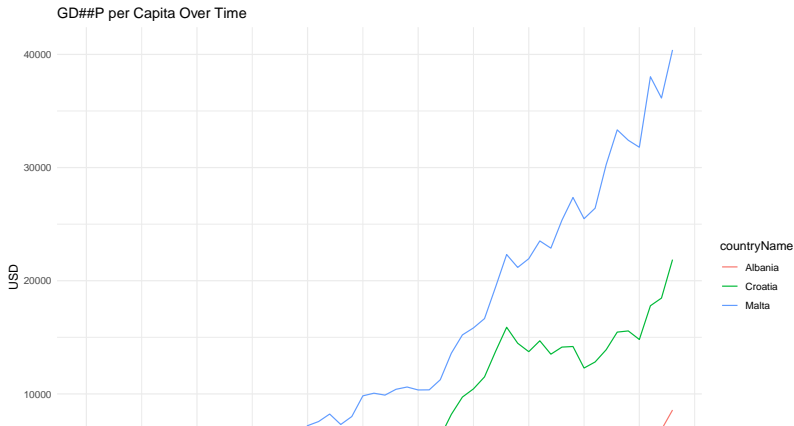

# Top 10 Countries by Average GDP Per Capita

Table 1: Top 10 Countries by Average GDP per Capita

| countryName | avgGDP |
| --- | --- |
| Malta | 12226.904 |

# Literacy Emissions

Literacy Rate Trend

# Renewable Energy Share

Renewable Energy Share
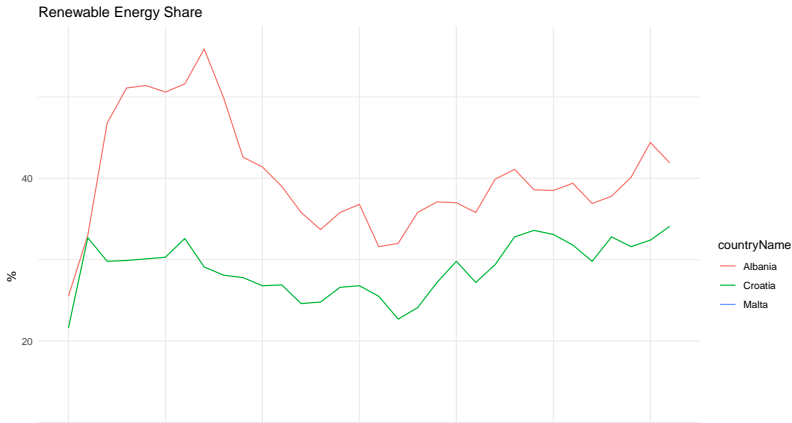

# Summary

- Cleaned and merged data from 3 countries
- Filtered, renamed, and explored indicators
- Built reproducible plots and
